# KENTUCKY DATES SETTLED

NEW LOUISVILLE JOCKEY CLUB AND LATONIA JOCKEY CLUB REACH UNDERSTANDING.

Spring and Summer Meetings on Kentucky Circuit to Occupy Sixty-Six Days-Kentucky Commission to Meet Tuesday to Formally Assign Dates.

Lexington, Ky., February 18.—Advices received here are to the effect that the officers of the New Louisville Jockey Club and the Latonia Jockey Club have come to an understanding with reference to spring racing dates, and that the Latonia Jockey Club will present an amended application for the consideration of the Kentucky State Racing Commission at its meeting here next Truesday, Louisville's application was for twenty-five days, beginning Saturday, May 13, and ending Saturday, June 10. According to information that has been received here Louisville's application is to stand as originally made and Latonia is to ask for thirty days, beginning Monday, June 12, and ending Saturday, July 15. Latonia originally applied for thirty-one days, beginning May 30. These dates, it is understood, will be granted, making a total of sixty-six days racing for the three Kentucky tracks. Lexington has already been granted eleven days, April 29 to May 11.

The commission, it is said, will take un for final

originally applied for thirty-one days, beginning May 30. These dates, it is understood, will be granted, making a total of sixty-six days racing for the three Kentucky tracks. Lexington has already been granted eleven days. April 29 to May 11.

The commission, it is said, will take up for final action Tuesday the rule introduced by Col. Milton Young last fall requiring that no stake of guaranteed value be for less than \$2,000. The track owners are opposed to the passage of any such rule, while horse owners and trainers are naturally in favor of it. The ten stakes announced by the New Louisville Jockey Club to close March 1 are all of lived value—six of them \$2,000 and four \$1,500. The Latonia Jockey Club announces to close on the same date seven guaranteed stakes, one for \$3,000 and six for \$2,000. There has been no announce ment from the track managers as yet concerning the probable value of the purses at the spring meetings, but it is understood to be the desire of less value than \$500.

There will be no change in the commission on pari-untuels and auction pools, it is said. After all the agitation over this matter, growing out of the request of a committee from the Kentucky Association directorate that they be permitted to charge seven per cent. last spring, it appears that the track people are satisfied that the request was a mistake and that they are more than willing to charge seven per cent. last spring, it appears that the track people are satisfied that the request was a mistake and that they are more than willing to charge seven per cent. last spring, it appears that the track people are satisfied that the request was a mistake and that they are more than willing to charge seven and bave published in convenient form the rules and amendments will be disposed of at Tuesday's meeting. He is particularly anxious to prepare and bave published in convenient form the rules of racing for general distribution among the horsemen at the spring meetings.

It is probable that the case of H. Guy Bedwell, who was r

is "down and out financially." His horses are all that he has left, it is said, and they are under the ban.

William Steele, for many years in charge of the thoroughbred horses owned by the late A. J. Cassatt, of Philadelphia, suffered a heavy loss in the stock yards fire here Wednesday night, when all of the buildings and 100 head of horses and mules were destroyed. When Perry Belmont decided to disperse the stud of thoroughbreds he had at Horse Haven Farm, and sent Ethelbert to France, in the winter of 1908-1909. Mr. Steele took a lease on the place and maintained his residence there until the first week in January, when the house caught fire and he was burned out. He had a short while before made up his mind to go back to Pennsylvania and had rented a place at Devon, the lease on Horse Haven Farm having been transferred to John Nash, to be used as a nursery for trotters. After sending Nelie Bly (dam of Round the World) to John S. Barbee's Glen Helen Stud, where she is expected soon to foal to August Belmont's Singleton and then go to the court of Peep o'Day, and shipping Danish Girl and Mary Steele to Frank Weir at Jacksonville, Mr. Steele had fourteen horses left, and he sent them to the stock yards to await shipment to Devon, Pa., next Monday. Of these, seven were burned to death. There were two two-year-old thoroughbreds, a colt by Singleton—First Light and a filly by Peep o'day—Hergenie: two trotters, a two-year-old filly by Tregantle—Thelma, by King Rene, and a four-year-old colt by Walnut Hall out of the same mare; two very stylish walk-trot geldings and a roadster. The others were saved. Mr. Steele intends to buy more horses to take the places of those he lost. They were worth about \$5,000 and he had no insurance on them.

The two-year-old brother to Sheriff Bell, by Ornament—Louise, by Rotherhill, owned by Robert Proffit of Winehester, and in the stable of James Stevens at the Kentucky Association track, died of planudes and Salama went wrong last spring when it seemed as if he had the Kentucky Derby

# GOVERNMENT WILL ACCEPT STALLIONS.

Washington, D. C., February 18,—Six valuable thoroughbred horses to form the nucleus for breeding high-grade mounts for the United States Cavalry, were formally tendered to Secretary of War Dickinson, yesterday by their owners. August Belmont offered three, and a like number were tendered by Edward B. Cassatt, son of the late President A. J. Cassatt, of the Pennsylvania Railroad, and formerly captain of the Thirteenth United States Cavalry. One of the horses offered by Mr. Belmont is the famous Henry of Navarre. In all probability, it is said, the tenders will be accepted, as officials of the army see no legal objection to the acquisition of the horses by the government as gifts. Thomas Lawson has also offered a dozen of his best trotting stallions. One of them is said to be valued at \$50,000.

GUY FISHER REDUCES MONCRIEF RECORD.

Runs Six and a Half Furlongs in 1:193/5 in Winning Live Oak Handicap at Jacksonville.

Live Oak Handicap at Jacksonville.

Jacksonville, Fla., February 18.—A good card, coupled with a warm, bright afternoon, attracted a large crowd to Moncrief Park today. The Live Oak Handicap, the feature event, was overshadowed in a measure by the third race, an allowance affair, which brought together some of the best milers on the grounds. The winner of this race turned up in that good three-year-old, The Nigger, which beat the speedy T. M. Green a length, with the favorite, Donald Macdonald, third. Joe McCahey had the mount on The Nigger and this skillful young jockey also piloted the two-year-old Efficiency to a runaway victory in the opening dash and Guy Fisher, winner of the stake feature, Guy Fisher shouldered 115 pounds, made all of his own pace and clipped three-fifths of a second from the track record for the distance. The start in this race was ragged, the field leaving the post in Indian file. Guy Fisher outbroke the others and Hanbridge also got off running. The latter was on his bad behavior at the post and starter Dade got down from his stand and in using the whip on him was given a lively tussle. After the race Mr. Dade announced that he would take advantage of a rule of the Southern Jockey Club, which limits delays at the barrier on acount of bad actors to five minutes. In future Hanbridge will be given three minutes and if Dade or his assistants are unable to get a good break with him the horses will be sent away irrespective of Hanbridge.

Two of today's winners changed hands after their races. Lady Irma was advanced from \$1.100 to \$1,400 by Dave Woodford, who secured her at that figure for the Beverwyck Stable, W. O. Scully lost Spes Nostra to Guy Gray for \$1,600, representing a raise of \$400.

Frank Nolan, owner of the Beverwyck Stable, and Moncrief this morning and will remain for a few days to participate in the racing at Moncrief, Mr. Nolan will leave for Southern Florida some day next week.

M. Bradshaw arrived from California with honorief this afternoon.

Jockey McTaggart was suspende

be sold in the Monerief paddock March 4 by George Bain.

There will be another mule race at Moncrief Park on the next ladies' day, about March 15. It took the winning mule 2:15 to run a mile in the race decided on the last ladies' day at Monerief.

Jockey Butwell will leave Jacksonville within the next fortnight to arrange for his departure from New York to fill his summer's engagement in Russia.

Recent work-outs at Moncrief. Weather clear; track fast.

JUAREZ TRACK A VERITABLE QUAGMIRE.

# JUAREZ TRACK A VERITABLE QUAGMIRE.

El Paso, Tex., February 18.—Heavy rains, which converted the track into a veritable quagmire, materially affected the racing at Juarez today. The usual Saturday crowd was in attendance. There were many scratches and the peculiar track conditions made the selecting of winners a most difficult proposition, as was attested by the failure of a single public choice to win.

The feature of the day was the La Victoria Handicap, for three-year-olds, a general withdrawal of those named overnight and the adding of four others left the talent at sea. Barney Schreiber added a fine-looking son of Golden Maxim—All Balance in Captain Carmody, which had never before faced the barrier, and he proved to be of some account by leading throughout. Although momentarily menaced by Marjorie A. in the stretch he drew away in a decisive manner to win handily. This good colt is a candidate for the Kentucky Derby and the Blue Grass Stakes and is likely to be a factor in these events.

# CHOICES DO WELL AT TAMPA.

Tampa. Fla., February 18.—Good sport came with the running of this afternoon's card and afforded pleasure to a big attendance. The bookmakers had no cause, for complaint on the score of liberal play, as most of those present were speculatively inclined. Favorites and second choices accounted for nearly all the purses, but the failure of several supposed good things saved the layers from loss. The judges were satisfied with the explanation offered by the owner of Lighthouse and will allow the horse to start in future.

Joekeys A. Matthews and Winkfield were suspended for two days each by the starter.

With this eminently handy book in his pocket any admirer of racing can readily answer almost any query that may come up concerning facts of racing in the past. Its equal has never been printed and, considering the topics it covers, it is an extremely low-priced book.

# NOTES OF THE TURF.

Green B. Morris proposes to buy some horses in the east for racing at Denver the coming summer.

Capt. E. B. Cassatt will send a number of the Chesterbrook horses to Canada to race this year.

James Graves of Richmond is organizing a breeding bureau for Virginia, August Belmont has promised to donate a stallion.

ised to donate a stallion.

Ivan Fox is schooling Dinna Ken for jumping races. Tommy Wright has been takn into partnership with Mr. Fox in all his horses and will do the stable riding the coming season.

Raymond Dale of South Qu'Appelle, Saskatchewan, has sailed for England. Mr. Dale is the only Canadian who has had an entry in the Epsom Derby, in which his colors will be carried this year by the Saskatchewan-brod colt, Kel d'Or, which has been in charge of Sam Darling, the noted English trainer, since last summer. Kel d'Or has never started in a race.

a race.

August Belmont has asked for fifteen stalls for the spring meeting at Jamestown, and applications for stabling accommodations have likewise been received from Capt. E. B. Cassatt of Chesterbrook Farm, R. T. Wilson, president of the Saratoga Association; Forrest Rose of Sabot, Va.; Beverwyck Stable, William Walker, E. Moyne, Albert Simons, John W. Schorr, James McLaughlin, Clint De Witt, Dr. J. S. Tyree, William Garth, Woods Garth, N. K. Beal and W. S. Diffenderfer.

# RACING GOSSIP FROM THE COAST.

San Francisco, Cal., February 18.—Molera & Josephs have decided to send the high-class mare, Bubbling Water, to Louisville about April 15. The daughter of Colonel Wheeler and Shasta Water will be entered in the stakes at the Kentucky track, and after the close of that meeting trainer Al Farrell will race the mare on the New York tracks. There is also a possibility that the mare may be shipped to Europe in the fall. If taken abroad she will be mated with some well-known English sire.

J. McIntyre, who rides for T. W. Flynn, may not be seen in the saddle again until the opening of the Louisville meeting. Keene Bros. offered McIntyre \$500 a month if he would ride for them this spring, and the jockey was satisfied with the terms, but could not make definite arrangements owing to the contract held by Mr. Flynn.

J. M. Crane, owher of John H. Sheehan, Belleview and other fair performers, is undecided as to his plans for the future. He will likely rest up his horses until shortly before the time for the meetings in Utah, Colorado and Montana. Kirschbaum, who has been riding for Mr. Crane, may go to Juarez.

George Snyder, a former jockey, is negotiating for a carload of mares, which he will use for breeding purposes.
